Huși Vineyard | 2025

Range Description

At Averesti , we set out to restore the Huși Vineyard to its well-deserved reputation. With respect for the fruit of the land and the history of the place, we produce under the "Classic" collection a selection of wines from the most appreciated varieties. The range includes four wines vinified in semi-sweet: Busuioacă de Bohotin , Tămâioasă Românească, Fetească Neagră and a Rose.

Grape harvest

The grapes were harvested in 2 stages, characterized by different levels of ripeness/ripening.

Vinification

The grapes were macerated at low temperatures, and the pressing was done cold. The must was fermented in stainless steel tanks at controlled temperatures.

Wine philosophy

The pink color defines its impetuous character. It is simply a wine that satisfies all tastes.

Tasting notes

Salmon-pink wine, with an attractive scent of rose petals and wildflowers, complemented by fresh aromas of strawberries and mulberries. On the palate, fruity notes of raspberries and cherries are felt, with a well-integrated acidity that provides perfect balance. The aftertaste is long, with delicate accents of nectarines and basil.

Culinary associations

Enjoy it with spicy sauces, especially curry, poultry dishes, fruit salads or as a dessert.

Classic: Unmistakable Wines from the Husi Vineyard!
