Range Description

The Herb collection reveals to us the undeniable value of aromatic wines from Romanian varieties and reveals to us fine aromas of aromatic plants, delicate, enhanced by a unique freshness. The diversity of the collection, the originality of the blends, the vibrant aromas, all were designed with the tastes and expectations of those who want to discover authentic Romanian values reinterpreted in a modern style in mind. Right from the first tasting, you will understand why this selection bears the name Herb.

Grape harvest

The grapes were harvested at a sugar content of at least 230g/l.

Vinification

The grapes were harvested by hand, destemmed without crushing and macerated at low temperatures. The resulting must was clarified by gravity for 32 hours. Fermentation took place at controlled temperatures in stainless steel tanks for 20 days.

Wine philosophy

In the Herb collection, you will find a Busuioacă for everyone, Unique, Aromatic and Easy to Enjoy.

Tasting notes

Pale pink wine with aromas of basil and grapefruit complemented by notes of rose. The acidity well integrated into the body of the wine provides the perfect balance. The aftertaste is long, delicate and aromatic, with a finish of nectarines and traces of basil.
