## Herb, Busuioacă de Bohotin , Semi-dry Rose Wine, 0.75 l - DOC Huși

Huși Vineyard | 2024

### Range Description

The Herb collection reveals to us the undeniable value of aromatic wines from Romanian varieties and reveals to us fine aromas of aromatic plants, delicate, enhanced by a unique freshness. The diversity of the collection, the originality of the blends, the vibrant aromas, all were designed with the tastes and expectations of those who want to discover authentic Romanian values reinterpreted in a modern style in mind. Right from the first tasting, you will understand why this selection bears the name Herb.

### Grape harvest

The grapes were harvested at a sugar content of minimum 210 g/l.

### Vinification

The grapes were harvested by hand, destemmed without crushing and macerated at low temperatures. The resulting must was clarified by gravity for 32 hours. Fermentation took place at controlled temperatures in stainless steel tanks for 20 days.

### Wine philosophy

In the Herb collection, you will find a Busuioacă for everyone, Unique, Aromatic and Easy to Enjoy.

### Tasting notes

Intense pink wine, impresses with its dominant aromas of basil complemented by notes of muscat. The fresh taste, with subtle tones of cherries and sweet apples, ends with a delicate finish, with notes of rose. It is a refined and memorable wine, with a vibrant and delicate character

### Culinary associations

Suitable with cheeses, and baked or grilled chicken dishes.
