

## ZGHIHARĂ DE AVEREȘTI - NATIVUS

Harvest 2019

<b>Variety</b>	<b>Zghihară de Huși</b> - Protected Designation of Origin "Huși"
<b>Wine Type</b>	Dry White
<b>Area</b>	Domeniile Averești – Huși Vineyard
<b>Vine - Grapes</b>	The grapes were carefully harvested manually at a sugar content of at least 195g / l, then grapes removed from the grape cluster without crushing. The grapes are cooled to a temperature of 10 ° C and then pressed for maceration for 6-8 hours.
<b>Wine-making</b>	The juice is obtained in a controlled atmosphere using the short pressure and low-pressure cycle. The decantation of the juice is done gravitationally, at cold temperature. It is then fermented in stainless steel tanks at controlled temperature and the young wine obtained is kept on the fine yeast storage until March to gain extra structure and volume.
<b>Tasting notes</b>	Pleasant but discreet flavours of green apple, lime and gooseberry. Brisk, fresh and fruity, with light cranberry tinges and a mineral aftertaste, this is your everyday wine.
<b>Best served</b>	Well-chilled (8-10 ° C), good to be assorted with white poultry, preferably francolin or fish.
